

Parksville Council Meetings

Aligned with recently updated public health orders from the Province of BC, residents may attend Parksville Council meetings held in the Forum. The City will continue public safety measures including the requirement to wear a mask and capacity limits of forty people for Council meetings. In-person attendance will be on a first-come, first-served basis. If you are sick or not feeling well, please stay home.

Council meetings in February and March will be held at 1 pm and from April through September, meetings will start at 6 pm.

We encourage residents to participate online due to in-person capacity limits. To view meetings webstreamed live or to view archived video from the meetings, please visit our [website](http://parksville.ca). Residents may also email comments to council@parksville.ca
