

Parksville Community Park Mobile Food Concession Request for Proposals

The City wishes to provide concession services through mobile vendors in the Parksville Community Park with a focus on locally grown and nutritious foods. Two concession pads are located in the Parksville Community Park at 193 Island Highway East and applicants may submit proposals for one or both existing pads.

If an applicant wishes to occupy both pads, separate proposals must be submitted for each pad. If multiple proposals are submitted, each proposal must reference the appropriate pad number as shown on the RFP documents available at City Hall and on our [website](#).

The successful contractors would operate mobile food concessions for the 2023 to 2025 seasons from May 1 through September 30; some flexibility may be considered for the month of May and September. The term of the contract will be for three years with an option to renew for an additional two-year term at the City's sole discretion. Additional information and a copy of the RFP documents are available on the City's website.

The closing date for the return of request for proposals is Friday, February 24 at 4 pm to the administration department, City of Parksville, 100 Jensen Avenue East, PO Box 1390, Parksville V9P 2H3.
