

## Parksville Community Park – Sandcastle Drive Closure

Between Tuesday, September 5 and October 3, Sandcastle Drive in the Parksville Community Park will be closed to all vehicle traffic. This second closure, requested by the contractor, will facilitate construction of the new gathering plaza.

Regular vehicle access to Sandcastle Drive will be closed at Salish Sea Drive. Sandcastle Drive along to Arbutus Point will be open to pedestrians and bicycles. Additional accessible parking is available near the Lions Ventureland Playground on Salish Sea Drive. Vehicle parking in the gravel lots near the sports fields and behind the curling rink will be open for public use.

Signage will be posted at the entrance and throughout the park.

The City sincerely understands and apologizes for the disruption to residents and visitors who will use the park during this time. Please refer to [Let's Talk Parksville](#) for information about the many planned improvements to the Parksville Community Park.
