

City Seeks Input on Canada Day Celebrations in Parksville

Thank you for celebrating with us, Parksville! We are grateful to all who celebrated Canada Day with the City of Parksville in 2025. The City first hosted Canada Day celebrations in 2024 and with the experience from hosting two events, we would now like to hear from you.

We invite the community to share feedback on the 2025 Canada Day celebration. Open until August 31, the survey may be found on our [website](#) and [Let's Talk Parksville](#). Please tell us what worked, what could be improved and what you would like to see included in a Canada Day celebration.

Your input will help in planning for a future event and ensure it meets the needs of the community. We do appreciate your time to answer the questions; your comments will be passed along to Council for consideration in the fall.

The popular Canada Day parade kicked off the day followed by activities and entertainment in the Parksville Community Park throughout the day. The day's activities are listed on [Let's Talk Parksville](#). Should you have questions, please contact communications@parksville.ca.

This event was supported by the Government of Canada as well as generous community sponsors.
