

Parking Information for Beachfest ROCKS Event - August 8-10

Public parking areas in the Parksville Community Park will be open and available on a first-come, first-served basis. Festival patrons are welcome to use these lots; however, due to the large number of visitors to the park during this time, parking will fill quickly. Ravenhill Road will be closed to vehicles except for emergency and restricted traffic.

Attendees are encouraged to park offsite and walk to the theatre when possible. A limited number of designated accessible parking spaces are available within the park for those with permits. SPR Traffic Services will be onsite to assist with the safe and orderly flow of vehicles. Please note vehicles parked outside of designated parking areas may be subject to towing.

Refer to the [map at this link](#) for identified public parking lots in downtown Parksville. We appreciate your cooperation and look forward to a great weekend of live music at the Parksville Outdoor Theatre!
