

## 2026 Mobile Food Concession Services in Parksville Community Park

The City has issued an expressions of interest seeking mobile food vendors to provide services from the two designated food truck pads in the Parksville Community Park from May 1 to September 30, 2026. Additional space within the gathering plaza may be available on select days during this period.

The expressions of interest now posted to our website has a closing date of February 27 at 4 pm. Successful vendors will be notified by March 11. Program terms and conditions may be found at this [link](#).

Following a successful pilot project in 2025, City staff will coordinate, schedule and manage the delivery of mobile food concessions services in the Parksville Community Park. Two designated food truck pads, each equipped with power and water connections, will be available daily for mobile food vendors. The daily pad rental rates to be paid by the vendors help offset the costs for electrical and water hookups as well as the service for waste disposal by the City.
