

Reminder of Parksville's Name the Peacock Contest

The City of Parksville is looking for names for the floral peacock at Pym Street and Island Highway. Some amazing suggestions for Parksville's *Name the Peacock Contest* have been sent in with a total of 86 submissions received to date.

Over the past two months, the City of Parksville has received many positive comments about the design of the flower bed that we decided to have some fun and hold a contest to name the floral peacock.

The steps are easy:

- There's a link from the homepage on the City's website at www.parksville.ca
- Suggestions can be entered online along with a brief description as to why the proposed name is being suggested.
- Provide name and phone number as well.
- Suggestions may also be dropped off at City Hall (Administration Department)

The contest is open to everyone; not just residents of Parksville. Last date to enter is August 2.

Our Parks Department will sift through the suggestions with reasons and will select the winning entry. If there's more than one entry with the same name, the winner will be drawn at random. And yes, there will be a prize for the winner and maybe the runner up!
