

CITY'S LOW FLUSH TOILET REBATE PROGRAM REINSTATED

The City of Parksville will continue to offer a maximum of one rebate per residence for the replacement of toilets using 13 litres or more with a new CSA approved low flush model. The rebate is \$75 for the installation of a low flush model of 6 litres or less. The program has been in effect since January 1, 2008.

The offer is open to owners of existing residential buildings, located within the municipal boundaries of the City of Parksville, connected to both the City's water and sewer systems. Rebates will be issued on a first come/first serve basis accepting only valid applications. This rebate program does not apply to new construction.

The application form may be obtained from the City's website at <http://www.parksville.ca/cms.asp?wplD=313> or in person at the Parksville Civic and Technology Centre, 100 Jensen Avenue East, Parksville.
