

Coffee with Council
Second Monday Evening of the Month

In addition to regularly scheduled Thursday afternoon *Coffee with Council*, Parksville Council will also host *Coffee with Council* on the second Monday evening of the month from 6 to 8 pm. The first evening session with Council members will be held on Monday, March 14.

As with the afternoon sessions, residents are encouraged to stop by for an informal chat with members of Council. No appointment is necessary, just drop by Parksville City Hall between 6 and 8 pm. These sessions provide residents with a comfortable and informal forum in which to meet elected officials, ask questions, discuss issues and concerns and offer comments and suggestions. The coffee pot will be on. Please check the website to confirm these dates.

"*Coffee with the Mayor* has been running successfully for two years. We look forward to changing it up a little by including other members of Council at the sessions and offering an evening session once a month," said Acting Mayor Chris Burger. "This is a wonderful opportunity for Council to speak personally with residents, one on one."
