

Wood Chipping Program - Fall 2011

The City's wood chipping program will take place this fall from October 12 through October 28 weekdays, between the hours of 8 am and 4 pm. A schedule for pickup is printed below.

Only the following items are to be placed on the boulevard before 8 am, prior to the first date the chipper truck will be in your neighbourhood:

1. branches with a maximum diameter of 6 inches (15 cm), stacked with the larger end of the branch or trunk facing the roadway;
2. woody shrub material, piled for ease of access by the chipping crew.

Rocks, stumps and construction waste may cause injury to the chipper operators and must **NOT** be included in the piles. Please note that due to safety issues, materials such as pampas grass and clematis and wisteria vines cannot be chipped. These, along with other compostable vegetation, garden debris, leaves, and grass clippings may be taken to the **Church Road Transfer Station**. Piles containing the aforementioned items will not be removed by the chipping crew.

Piles must be limited to a size of 5 feet wide by 3 feet high, and only one pile per residence will be removed by the chipping crew. Please do not combine piles from multiple households as it is more difficult and time consuming for the chipping crew to take apart large piles for chipping than it is for them to handle smaller piles.

When placing your chipping pile, please be sure not to obstruct your property's City water connection box in the event access is required for maintenance.

To find out what days your area will be done, locate your street name on the following list and then correspond it by colour with the schedule below.

Fall 2011 Schedule

Wednesday, October 12 through Friday, Oct. 14	north of Highway 19A (ocean side of highway), including the north side of the highway, between Dogwood Street & Wright Road
Monday, October 17 through Wednesday, October 19	south of Highway 19A, including the south side of the highway, between Moilliet Street and Church Road, including both sides of Moilliet Street
Thursday, October 20 through Friday, October 21	east of Moilliet Street to Corfield Street, north and south of Highway 19A, including both sides of Corfield Street
Monday, October 24 through Wednesday, October 26	east of Corfield Street, north and south of Highway 19A, including the resort area, to the eastern boundary of the City

If you have any questions regarding the wood chipping program, please call the Engineering and Operations Department at 250 248-5412.
