Parksville Fire Department - Annual Food and Toy Drive *Every Little Bit Helps*

Parksville, BC - It's that time of year again. During the last weekend in November, Parksville Volunteer Fire Department members will once again collect food and toys door-to-door throughout Parksville and the areas served by the Parksville Fire Protection Area. The annual food and toy drive takes place on Saturday, November 26 and Sunday, November 27 from 9 am to 4 pm.

The week prior to the food drive, Quality Foods will provide through the local newspapers, paper bags for groceries. If residents are not able to be at home, they should leave the bag in a carport or by their door and it will be picked up by firefighters.

Members of the public may also drop off any non-perishable food items or new, unwrapped toys to the Parksville Fire Hall and at the Salvation Army Food Bank at 886 Wembley Road. Cash donations are also accepted.

In past years, residents have generously supported the Parksville Fire Department's annual drive and are the reason that this drive is a success. Any support that residents are able to give is appreciated by the Parksville Fire Department. Every little bit helps and will make the world of difference to a family this holiday season.
