

## Sunray Stairs Beach Access Information Session - March 6

The City of Parksville will host a public information session to review the proposed design for the new Sunray stairs beach access. The information session will be held on March 6, 2012, between 5-8 pm in the Forum, Parksville Civic and Technology Centre. Residents are encouraged to drop by.

The design is close to completion and the City wishes to present it to the public formally. The City's Engineering Department will assist the public to review the proposed design for the new Sunray stairs beach access and answer questions. We look forward to input from residents.

Drawings have been included on the City's website at <http://www.parksville.ca/cms.asp?wpID=415>
