

Coffee with Council Resumes in September
Thursday Afternoons from 2 - 4 pm

After taking a break for the summer, Parksville Council will once again host *Coffee with Council* on Thursday afternoons from 2 to 4 pm. The first autumn session with Council members will be held on Thursday, September 6.

Residents are encouraged to stop by for an informal chat with members of Council. No appointment is necessary, just drop by Parksville City Hall between 2 and 4 pm. These sessions provide residents with a comfortable and informal forum in which to meet elected officials, ask questions, discuss issues and concerns and offer comments and suggestions. The coffee pot will be on. Please check the website to confirm these dates.

The *Coffee with Council* program has now been running successfully for three years, allowing members of Council to hear from their constituents. "This is a wonderful opportunity for Council to speak personally with residents, one on one," says Mayor Chris Burger.
