

City of Parksville Thanks PCCC Volunteers

Parksville, BC: The City of Parksville wishes to recognize and thank the volunteer members of the board of directors of the Parksville Community and Conference Centre Society for their commitment of time and efforts to ensure our community enjoys the benefits of a full service conference and community center.

At the Council meeting held on Monday, October 1, Council voted to receive the financial report presented by Bill McKinney, president of the board of the society and Margaret Spruit, executive director.

The City wishes to recognize the contributions made by the members of the society board, as well as the work of paid staff that maintain the City's facility and serve the needs of the community.

"We recognize the challenges associated with running this community facility and on behalf of the Council and City of Parksville, I wish to offer our sincere thanks to the board and staff for their dedication and commitment to the PCCC Society," said Mayor Chris Burger.

Incorporated in 2000, the Parksville Community and Conference Society's mandate is to enhance economic activity, community participation and public events.
