

City to Host Open House at Springwood Water Facility

PARKSVILLE, BC: On Wednesday, May 22, the City of Parksville will host an open house at the Springwood Water Facility at 550 Despard Avenue in Parksville. Tours will be held between 11 am and 3 pm.

A series of 16 wells, mechanical pumps, and storage reservoirs used as a source of supply are located in the vicinity of Springwood Park. This is a great opportunity for residents to view the facility and learn about the City's water system.

**Springwood Water Facility Open House
May 22 - 11 am to 3 pm
550 Despard Avenue, Parksville**
