

## Public Information Session for DCC Discussion

Parksville, BC – On Wednesday, July 17, the City of Parksville will host a public information session intended to provide information to the public about the development cost charges (DCC) review process.

The open house will be held on Wednesday, July 17 from 4 pm to 6:30 pm in the Forum, Parksville Civic and Technology Centre (100 Jensen Avenue East). Presentations will be held promptly at 4 pm and 5:30 pm. Residents are encouraged to drop by between 4 pm and 6.30 pm to learn more about this review.

The City's current DCC bylaw was established in 2008. New projects, scope changes and cost increases have occurred since this time. To ensure sufficient funds and fairness for both the City of Parksville and the development community, a new DCC amendment is being developed. In accordance with DCC best practices guidelines, at the July 3 meeting, Council gave first reading of the draft bylaw prior to public and development consultations. A copy of the presentation provided to Council is available on the website at <http://www.parksville.ca/cms.asp?wpID=41>
