

Invitation to provide input on City of Parksville website

Parksville, BC – As part of the City of Parksville's commitment to timely and relevant communication with residents, the City is looking for feedback from residents regarding its corporate web presence.

A survey is being conducted to guide efforts towards revitalizing the City's web presence and residents are encouraged to participate in a short survey which can be found online at www.parksville.ca. There is a link to the survey located at the top of the home page and a direct link is provided here:

https://www.surveymonkey.com/s/Parksville_Web_Survey

The website in its current state was last updated in 2008-2009. Since this time, the way in which residents use municipal websites, the information they are seeking and how they look for the information has changed.

Members of the community wishing to provide feedback, comments and ideas are invited to complete the survey. The survey will be open until October 10. Participation from members of the community is appreciated as we strive to improve communications.
