

## Ballenas Grad 2014 Parade Road Closures – June 28

The Ballenas Grad Class of 2014 is about to take their final walk up the red carpet. This momentous occasion for the grads is preceded by a parade of honour through the streets of Parksville and the grad parent committee would like to make sure everyone is aware of the route.

“This is an exciting time for the graduates and the entire community is invited to come out and share in that excitement. The street closures, while only for a short while, may inconvenience some residents so the committee would like to make sure everyone is aware of the times and locations of the closures,” said Jillian Mohr, parade chair.

The parade will be held on Saturday, June 28 starting at 5 pm at Springwood Middle School. The parade will travel along Despard Avenue to Moilliet Street, along Moilliet turning right on Jensen Avenue across Alberni Highway 4A continuing along Jensen Avenue to the Parksville Community and Conference Centre. The route is slightly different this year with the parade finishing at the Parksville Community and Conference Centre. It is expected to last about two hours and the road closures will be in effect until the last grad has arrived at the PCCC.

The grad parent committee thanks the community for their patience and hopes everyone will come out and cheer the Grad Class of 2014 as they make this transition into adulthood. **Please contact Jillian Mohr at 250 248-7308 for information.**
