

Vacancies on Board of Variance

The City of Parksville is seeking applications to fill two vacancies on the Board of Variance. The function of the three member board is to hear land issue appeals based on the demonstration of "undue hardship" and is not an appeal board for local government policy decisions or decisions of elected officials.

The Board is made up of three individuals who serve a three-year term without remuneration and appointed pursuant to the *Local Government Act*. Applicants with experience in land use planning, architectural design or related fields would be an asset; however, it is not a prerequisite. Members of an advisory planning commission, elected officials and employees of the City are not eligible.

If you are interested in serving for a three year term, please apply in writing including a brief resume by August 15 to the Director of Administrative Services, 100 Jensen Avenue East, PO Box 1390, Parksville V9P 2H3.
