

Informal News and Information Survey

The City of Parksville is always looking for ways to improve communications with residents. In an effort to better understand how our residents wish their municipal news and information delivered, we are undertaking an informal survey.

This short survey will take just a few minutes to complete and should help us understand which newspapers are read by Parksville residents and more specifically, determine the readership of the *It's Your City!* news page. The survey is available from a link on the home page of the City's website and will be open for completion until September 30.
