Parksville Community Park is "Great Place in Canada"

Because we believe the Parksville Community Park is one of the great places in Canada, we submitted a nomination in the public spaces category of the "Great Places in Canada" contest. The annual contest is hosted by the Canadian Institute of Planners to recognize Canada's truly special places and also the vital work of this country's professional planners.

The most popular places will be highlighted as finalists on the *Great Places in Canada* website, so we need residents, family and friends to vote for us. Tell everyone you know about *Great Places in Canada*. Please log on and vote for your favourite place, we hope it's the Parksville Community Park.

Voting is open until September 25 so please vote often. Here's how to vote (or you can use the QR code).

We have included a Youtube video as part of the nomination; we hope you will take a few minutes to review. The Parksville Community Park is an awesome place where people love to gather with friends, enjoy a leisurely stroll along the waterfront walkway or use spend some time playing tennis, soccer or baseball.
