

Openings for Members on Advisory Design Panel

The City has openings for members on the Advisory Design Panel and is inviting interested individuals to submit an application for appointment.

The purpose of the Panel is to advise Council on design matters associated with specific development applications. Members are expected to have design experience and qualifications. Some members must be architects, landscape architects, or individuals with a design related degree or experience in universal design. Preference may be given to local residents; however, all interested individuals are encouraged to apply.

This community service work does not receive remuneration. Interested individuals are invited to submit an application for appointment to the Advisory Design Panel.

Applications will be accepted until April 1 and will then be referred to Council for consideration. Applications should be sent to:
