

Canada 150 Infrastructure Funding Awarded to City of Parksville

At an announcement held in Lake Cowichan earlier today, the Honourable John Duncan on behalf of Western Economic Diversification, announced the City of Parksville will receive \$141,225 in Canada 150 Community Infrastructure funding.

The funding is for capital improvements to the Parksville Community and Conference Centre which includes roofing replacement in 2016, outer wall painting, new flooring, interior painting and kitchen appliance replacement in 2017. These items are included in the City's current 2015-2019 financial plan.

"We are pleased to receive Canada 150 Infrastructure funding from Western Economic Diversification for the Parksville Community and Conference Centre, an important community asset and look forward to renovations starting in 2016," said City of Parksville Mayor Marc Lefebvre.
