

Celebrating Canada's 150th in Parksville *...and looking for memories of Parksville in 1967*

Canada's 150th anniversary of Confederation in 2017 marks a significant milestone for our country and our community. The City has begun initial planning to determine how Parksville should mark the **Sesquicentennial** and we'd love to hear your ideas on how we can tie the past to the future, showcase Parksville in 2017 and create a legacy for future generations.

To capture your ideas and input, we created a survey available from the home page of the City's website and at <https://www.surveymonkey.com/r/Canada150Parksville>

We hope you will share your ideas and inspiration for 2017, provide your thoughts on what inspires you as a Canadian and how we can celebrate in 2017. We are also hoping to have residents share their memories from 1967, especially those who lived in Parksville in 1967. #Canada150Parksville
