

## Mayor Proclaims International Week of Service in Parksville

March 24, 2017, marks the beginning of International Week of Service in the City of Parksville. During this week, Rotary International will partner with other service organizations to inspire volunteers around the world to participate in International Week of Service. At the request of the Rotary Club of Parksville AM, Mayor Marc Lefebvre has proclaimed March 24 to March 31 as International Week of Service in Parksville.

The Rotary Club of Parksville AM is encouraging our local service organizations to work together on projects to make a difference in the community. An example of this partnership in service, the Rotary Club of Parksville AM, has joined with the Lions International Club of Parksville to raise funds for significant upgrades to the water spray park in the Parksville Community Park.
