

Filming in Community Park – Wednesday, June 21

Chesapeake Shores Productions will be working in the Parksville Community Park on Wednesday, June 21 from 7 am until early evening. In the morning, filming will occur on the beach near the waterfront gazebo and in the afternoon at the labyrinth at Arbutus Point.

A parking area near the beach on Beachside Drive and the parking area closest to the Arbutus Point will be unavailable to residents and visitors for most of June 21. Chesapeake Shores will have traffic controllers will be on site to assist. As well, equipment and trucks will be parked in the curling rink and gravel parking lots. Alternate parking is available in the large open parking lot behind the curling rink and near the sports field as well additional parking along Beachside Drive. Please note, accessible parking is still available and the waterfront walkway for foot traffic will be open as usual.

We are aware this will be an inconvenience for some; however, we are pleased to be able to accommodate this production in Parksville. We appreciate the public's patience as we accommodate their requests.
