

Emergency Support Services for Residents at 240 Island Highway West

Last evening, the Parksville Volunteer Fire Department responded to a major fire at the Ocean Terrace apartment building at 240 Island Highway West. All residents were evacuated safely and through the Oceanside Emergency Support Services, evacuees were provided with services if needed.

The Oceanside Emergency Support Services office is located at 132 Jensen Avenue East. If you have been displaced or know someone who has been displaced as a result of the fire at 240 Island Highway West, please come to the ESS office.

Please note the ESS office is located at 132 Jensen Avenue East at the opposite end of the Parksville Community and Conference Centre building.
