

Interested In Running For Office?

We are offering a candidate information session on **Wednesday, September 5 at 4.30 pm** in the Forum, Parksville Civic and Technology Centre. Sessions are geared toward potential candidates and campaign workers; however, anyone interested is welcome to attend. This session will finish in time to allow potential candidates to attend the Council meeting at 6 pm

The session will review legislation, the nomination process, financial considerations, do's and don'ts and a review of a voting book election. It will also give an overview of what happens if elected as well as the role of City staff and links to reference guides and legislation.

Nomination packages are now available from the administration office during regular office hours until the close of nomination. We will have packages available at the September 5 session as well.

Two sessions were held in July and a copy of the presentation is available on the City's [website](#). Information about the 2018 election may be accessed on the City's [website](#)
