

## Join Mayor Mayne for Coffee with the Mayor

Residents are invited to join Mayor Ed Mayne for *Coffee with the Mayor*, an informal chat on Thursday afternoons. Appointments are not necessary; residents are encouraged to drop by City Hall between 2 and 4 pm on Thursday afternoons.

Started in 2009, this is a relaxed, comfortable forum for residents to meet the Mayor and ask questions, discuss issues and offer comments and suggestions; a chance to say what's on your mind.

"I'm looking forward to the opportunity to speak with residents; this is a chance to meet informally to talk about any topics that are on the minds of our residents," said Mayor Mayne

*Coffee with the Mayor* will start on November 15 and run weekly through to December 13. A new schedule for 2019 will be posted on the City's website. Please check the City's calendar to ensure there are no cancellations.
