

February 18 to 24 Proclaimed as "Heritage Week" in Parksville

Parksville, BC — Mayor Ed Mayne has proclaimed February 18 to 24, 2019, as “Heritage Week” in the City of Parksville.

Heritage Week is held to recognize the importance of protecting and conserving our rich and diverse heritage. Heritage serves as the foundation of BC communities, both celebrating the past and embracing the future by encouraging economic activity, job creation, and tourism.

The theme of Heritage Week 2019 is "Heritage: The Tie That Binds", which recognizes how heritage connects citizens through shared values and helps create an enduring sense of pride and social well-being in BC communities.

More information about Heritage Week can be found on the Heritage BC website at www.heritagebc.ca.
