

Knox United Church to Host June 17 Council Meeting

The next regular meeting of Parksville Council will be held at Knox United Church on Monday, June 17. A Committee of the Whole meeting will be held from 4-5 pm and the regular Council meeting will begin at 6 pm. Knox United Church is located at 345 Pym Street and the general public is welcome to attend.

The Committee of the Whole meeting will focus on two Council previously identified strategic priorities - downtown revitalization and economic development. There will be an opportunity for public comment at this meeting.

Council is keen to hold meetings at locations in the community; the February Council meeting was held at Ecole Ballenas Senior Secondary and provided a great opportunity for Council to engage students in the local government process and to hear their concerns as well as comments and ideas.

Parksville Council meetings are held the first and third Mondays of the month. When a statutory holiday falls on the Monday, the meeting is then held on the Wednesday.
