

Construction Notice - Craig Creek Culvert Replacement Project

We wish to advise the public of the planned Craig Creek twin culvert replacement project at Northwest Bay Road and the City of Parksville boundary. Construction is anticipated to begin on July 15 and is expected to be substantially complete by the end of August.

To facilitate the culvert replacement the City's contractor anticipates a temporary road closure on Northwest Bay Road. Full road closure details will be provided when the final construction schedule has been approved.

General traffic interruptions

During construction, traffic will be controlled in all directions for both cars and pedestrians. Please expect interruptions to traffic flow and intermittent alternating single-lane usage. We ask for the patience of the public, the contractor will complete this work as efficiently and safely as possible. For the public's safety, the instructions provided by the traffic control people must be obeyed.
