Pop-Up Water Park at Nicholls Park – August 2

The Parkville Fire Volunteer Department will host their first pop-up water park on August 2 at Nicholls Park. This family-friendly event will give kids and kids-at-heart the opportunity to beat the heat and cool off by running through a misting spray from an aerial ladder truck and other fire hose appliances.

The pop-up water park will take place on Friday, August 2 from 6 pm to 8 pm at Nicholls Park, located on Pym Street between Nanoose Avenue and Newcastle Avenue. Parking is available at École Ballenas Secondary School to help minimize street parking as we anticipate this will be a well attended event.

The pop-up water park is also an opportunity for residents and visitors to check out the fire engines and equipment, learn about fire safety and talk to members about what it means to be a volunteer firefighter.

The Parkville Fire Department members look forward to the opportunity to engage with the community and share in the fun. Dates and locations for upcoming pop-up water parks will be posted to social media. For more information, please contact the department at 250 248-3242.
