

## Changes to Parksville Council Meetings

On March 12, the City announced that Council meetings are no longer open to attendance by the public. Due to the evolving COVID-19 pandemic situation and the need to physical distance, our Council meetings will no longer be held in the Forum, Parksville Civic and Technology Centre. Due to the technical challenges caused by this change, webstreaming and video archiving of meetings may not be available as usual. Please know we are taking every effort to make these options available as soon as possible and at the first opportunity. In the meantime, thank you for your patience while we work through these new meeting logistics.

Meetings of Council will be held as follows:

April 6, 6 pm	Council meeting
April 8, 6 pm	Council budget meeting
April 20, 6 pm	Council meeting

Highlights of Council meetings are available the day after meetings, posted to the homepage of the City's website.
