

## Community Park Mobile Food Concession Request for Proposals

The City wishes to provide concession services through mobile vendors in the Parksville Community Park with a focus on locally grown and nutritious foods. Two concession pads are located in the Parksville Community Park at 193 Island Highway East and applicants may submit proposals for one or both of the existing pads for either the summer season or off-season.

If an applicant wishes to occupy both pads, separate proposals must be submitted for each pad. If multiple proposals are submitted, each proposal must reference the appropriate pad number as shown on the RFP documents available from City Hall or on the [City's website](#).

For the summer season, the successful contractors would operate mobile food concessions from May 1 through September 30; some flexibility may be considered for the months of May and September. The term of the contract is one year with an option to renew at the City's direction for an additional year. For the off-season, the successful contractors would operate the mobile food concessions from October 1, 2021 to April 30, 2022.

The closing date for the return of the RFP is Friday, February 26 at 3 pm to the Administration Department, City of Parksville, 100 Jensen Avenue East, PO Box 1390, Parksville V9P 2H3. Additional information and a copy of the RFP documents may be viewed on the City's website.
