

## Sidewalk Upgrade – Despard Avenue

The City will upgrade the sidewalk on Despard Avenue at the entrance to the parking lot for Springwood Park. This work will begin Monday morning, August 16 and is expected to take three days, weather dependent.

We recognize this is a well-used area with access to the off-leash dog park and the tennis courts from Despard Avenue. Please expect an occasional delays as work proceeds and follow the instructions of traffic personnel.
