5330-20-PATH2 – Addendum No. 1

January 15, 2026

Addendum No. 1

To all Proponents:

This notice shall serve as confirmation that the revisions and clarifications included herein as Addendum No. 1 shall form part of the Request for Proposals for 5330-20-PATH2, Parksville Pathway Project Phase 2.

CLARIFICATIONS

The Mandatory Site Meeting noted on the title page and on page 6 of the Terms of Reference of the Request for Proposals will be held at 10 am on **Wednesday, January 28, 2026**, at the parking lot at the north end of Shelly Road.

QUESTIONS

1. Regarding qualifications, does the City expect the electrical discipline to be required? Will there be modifications to existing lighting or inclusion of new lighting for the pathway?

The electrical discipline may or may not be required for this work and will depend on routing chosen and features desired after review of the preliminary options package.
