<b>Response Date</b>	<b>Other and/or Most important issue facing the City:</b>	<b>Issue A</b>	<b>Issue B</b>	<b>Issue C</b>
<b>Jun 1, 2010 5:39 PM</b>	The Bernie Walsh property should be added to the existing park for the enjoyment of the residents and tourists.	acquisition of waterfront lots		

<b>Jun 14, 2010 6:14 PM</b>	Buy Walsh property like Qualicum Beach bought the Brown property. Control "visionary"/expensive pseudo democratic "leader"'s. More humility - relentless consultation. I know - it drives the type "A's" crazy.	acquisition of waterfront lots		
<b>Jun 7, 2010 9:39 PM</b>	Visual pollution of poles and wires in a recreation city. Crime and safety.	appearance of city	crime safety / policing	
<b>May 20, 2010 6:25 PM</b>	We need to attract young families to the area to pay taxes. Our age is getting too high. We need youth!	attract families		
<b>May 31, 2010 5:01 PM</b>	We need to keep are kids here. I was told by someone that they heard Parksville was for the "nearly dead" only.	attract families		
<b>Jun 16, 2010 5:30 PM</b>	Keeping the city pleasantly affordable and welcoming to families.	attract families		
<b>Jun 2, 2010 8:04 PM</b>	Trails/bike lane through and around town. Revitalize more of downtown and 19A for residents and tourists.	bike lanes / paths	downtown revitalization	
<b>Jun 1, 2010 8:54 PM</b>	We should be striving to be a green city. More biking and walking trails. Protection of our watershed. No more clearcutting in the name of development. Maintain natural beauty and resources including protection of agricultural land.	bike lanes / paths	sidewalks / walkways	protection of natural areas
<b>May 26, 2010 3:15 PM</b>	become bike friendly	bike lanes / paths		
<b>May 28, 2010 9:12 PM</b>	Accommodation on roads for bikes, scooters.	bike lanes / paths		
<b>Jun 3, 2010 9:48 PM</b>	Proper bicycle lanes.	bike lanes / paths		
<b>Jun 16, 2010 4:27 PM</b>	bicycle paths	bike lanes / paths		
<b>Jun 10, 2010 8:17 PM</b>	Enforce bylaws (helmets). No bikes downtown.	bylaw enforcement		
<b>Jun 11, 2010 4:26 PM</b>	No highway changes. Revitalization of downtown--Craig St, Morison (McMillan to corner highway).	city planning / zoning / infrastructure	19A	downtown revitalization
<b>May 19, 2010 8:11 PM</b>	Put a stop to the one way of main street and extension of Jensen.	city planning / zoning / infrastructure	19A	Jensen extension

<b>May 17, 2010 10:27 PM</b>	If highway 19 bothers the city by cutting the downtown in half, then put the focus on dropping 19 below the grade. This can then be concreted over to form a plaza to sit, drink coffee and view the mud flats of the bay.	city planning / zoning / infrastructure	19A	
<b>May 19, 2010 12:07 AM</b>	Make the traffic on 19A two lanes, not one-way. Put in a couple of stoplights....Jensen and Craig and Corfield and Stanford.	city planning / zoning / infrastructure	19A	
<b>Jun 16, 2010 5:45 PM</b>	No one way on 19A. No parking on 19A.	city planning / zoning / infrastructure	19A	
<b>Jun 1, 2010 5:29 PM</b>	Other - No Jensen Extension, don't change highway. Jobs/new business	city planning / zoning / infrastructure	19A, Jensen extension	local economy / job creation
<b>May 20, 2010 4:38 PM</b>	City of Parksville to purchase P. Beach Resort, Park Sands at market price to be financed over an extended period of time. This would be a wonderful park for future generations. Combined with the existing park, board walk, etc.	city planning / zoning / infrastructure	acquisition of waterfront lots	
<b>Jun 11, 2010 6:22 PM</b>	Fix the main street to the way it was. The lumpy curbs are crazy.	city planning / zoning / infrastructure	Alberni hwy	
<b>Jun 11, 2010 5:31 PM</b>	enforce noise bylaw Keep the horse in front of the cart - have roads and routes ready so you are not running huge trucks and buses through areas of old age homes, residential.	city planning / zoning / infrastructure	bylaw enforcement	
<b>May 17, 2010 5:16 AM</b>	Professional top-quality engineering staff	city planning / zoning / infrastructure	City staff - engineering	
<b>Jun 2, 2010 8:28 PM</b>	If we keep developing housing areas where is the water coming from?	city planning / zoning / infrastructure	development	water conservation / quality

<b>Jun 15, 2010 3:17 PM</b>	I think an important issue facing the city is development. We have so many areas cleared for development that if all were allowed to proceed they would seriously impact on our water supply, natural areas and resources, etc.	city planning / zoning / infrastructure	development	water conservation / quality
<b>May 29, 2010 1:27 AM</b>	Development MUST be approached in a more sustainable and rational manner. More cement does not equal more progress.	city planning / zoning / infrastructure	development	
<b>Jun 11, 2010 9:59 PM</b>	In the future we would like to see no more 9 storey buildings. We need a proper view corridor.	city planning / zoning / infrastructure	development	
<b>Jun 17, 2010 5:26 PM</b>	zoning/infill housing	city planning / zoning / infrastructure	development	
<b>Jun 7, 2010 8:46 PM</b>	Improved zoning--no car dealerships, body shops, industrial on main route through town.	city planning / zoning / infrastructure	development - commercial	
<b>Jun 17, 2010 9:33 PM</b>	All our trees are being replaced by roads named after the trees.	city planning / zoning / infrastructure	development - residential	
<b>May 26, 2010 6:54 PM</b>	Ditches are not only health hazard but a danger to children and elderly.	city planning / zoning / infrastructure	ditches	
<b>May 17, 2010 9:21 PM</b>	higher density on waterfront and town core	city planning / zoning / infrastructure	downtown revitalization	
<b>May 31, 2010 9:54 PM</b>	City planning/zoning/infrastructure toward revitalization of downtown.	city planning / zoning / infrastructure	downtown revitalization	
<b>Jun 4, 2010 9:39 PM</b>	city planning/zoning/infrastructure, downtown revitalization	city planning / zoning / infrastructure	downtown revitalization	
<b>Jun 10, 2010 6:53 PM</b>	Planning/zoning to provide and maintain the quality of life for the existing residents. Get off the idea of all focus on downtown/business interests.	city planning / zoning / infrastructure	downtown revitalization	

<b>Jun 16, 2010 3:07 PM</b>	City needs to work on infrastructure and stop putting off investment in basics that are necessary; eg, fire protection.	city planning / zoning / infrastructure	fire protection	
<b>May 19, 2010 8:05 PM</b>	Fire Hall	city planning / zoning / infrastructure	fire protection - firehall	
<b>Jun 1, 2010 10:22 PM</b>	New fire hall	city planning / zoning / infrastructure	fire protection - firehall	
<b>Jun 11, 2010 4:28 PM</b>	Fire hall and equipment	city planning / zoning / infrastructure	fire protection - firehall	
<b>Jun 10, 2010 8:50 PM</b>	Lack of long range planning. Most important issue: The lack of planning. Also, Parksville doesn't seem to know whether it wants growth or no growth. We can't keep expanding the number of houses without allowing the expansion of businesses; ie, box stores.	city planning / zoning / infrastructure	growth	shopping
<b>Jun 3, 2010 10:50 PM</b>	Make a decision on what kind of community you would like. Quality of life before quantity. Make it an affordable, great place to live for people of all ages and income. Don't follow trend to be bigger.	city planning / zoning / infrastructure	growth	
<b>Jun 18, 2010 10:37 PM</b>	I have lived here since 1976. The town still looks damn near the way it did then. Push Jensen Avenue through and build up a small business core (across from City Hall) to replace old houses. Look at Courtenay.	city planning / zoning / infrastructure	Jensen extension	downtown revitalization
<b>May 13, 2010 4:52 AM</b>	I might have put 'revitalization of downtown' but I don't know what you mean by 'revitalization'. It may be a codeword for development or Jensen Rd Extension. Please try to avoid words like this.	city planning / zoning / infrastructure	Jensen extension	
<b>May 25, 2010 4:21 PM</b>	Permanently drop the idea of the Jensen extension and work to develop City and privately owned properties adjacent--senior and affordable housing, parks, walkways linking to shopping and downtown.	city planning / zoning / infrastructure	Jensen extension	

<b>May 31, 2010 5:54 PM</b>	No ring road extention	city planning / zoning / infrastructure	Jensen extension	
<b>May 31, 2010 6:48 PM</b>	Forget about the Jensen Ave extension permanently and use that money and time for something needed more.	city planning / zoning / infrastructure	Jensen extension	
<b>Jun 2, 2010 9:00 PM</b>	Cancel the idiotic plan re: Jensen Street	city planning / zoning / infrastructure	Jensen extension	
<b>Jun 14, 2010 4:47 PM</b>	Jensen extension.	city planning / zoning / infrastructure	Jensen extension	
<b>May 31, 2010 5:17 PM</b>	Land use planning.	city planning / zoning / infrastructure	land use	
<b>Jun 11, 2010 4:50 PM</b>	Allow exclusions from ALR to provide housing close to town.	city planning / zoning / infrastructure	land use	
<b>Jun 14, 2010 5:46 PM</b>	Keep as much of ALR as possible. Do not do any more to make this town a place to drive through. It is a bit late now, but take a page from Qualicum Beach.	city planning / zoning / infrastructure	land use	
<b>Jun 16, 2010 9:33 PM</b>	ALR in the city.	city planning / zoning / infrastructure	land use	
<b>May 21, 2010 4:37 AM</b>	exclude ALR land from City	city planning / zoning / infrastructure	land use	
<b>May 26, 2010 8:05 PM</b>	City planning; encouraging development and business to help the local economy and creation of jobs	city planning / zoning / infrastructure	local economy / job creation	
<b>Jun 3, 2010 4:52 PM</b>	Protect Resources, Planning - zoning/infrastructure Health Care is never mentioned. Why?	city planning / zoning / infrastructure	medical facility	

<b>Jun 10, 2010 9:22 PM</b>	City planning/zoning infrastructure Medical care and services	city planning / zoning / infrastructure	medical facility	
<b>Jun 18, 2010 9:11 PM</b>	OCP and new firehall.	city planning / zoning / infrastructure	OCP	fire protection - firehall
<b>May 18, 2010 1:32 AM</b>	Update an OCP, Protection of natural areas.	city planning / zoning / infrastructure	OCP	protection of natural areas
<b>Jun 11, 2010 6:57 PM</b>	Protect existing community plan. Protection of natural areas.	city planning / zoning / infrastructure	OCP	protection of natural areas
<b>Jun 21, 2010 4:54 PM</b>	Linking an OCP to transporation. You can't change density without addressing traffic flow. Push Despard through.	city planning / zoning / infrastructure	OCP	traffic control
<b>May 18, 2010 10:20 PM</b>	I think the OCP and city planning needs to reflect what the residents want, not what a developer wants. After all, look at the monstrosity of the Beach Club and what it did to the waterfront.	city planning / zoning / infrastructure	OCP	waterfront development
<b>May 10, 2010 4:57 AM</b>	City Planning, Zoning and Infrastructure in line with the OCP review and set in bylaw according to the Local Government Act.	city planning / zoning / infrastructure	OCP	
<b>May 16, 2010 5:45 PM</b>	Official community plan to deal with quality and quantity of services.	city planning / zoning / infrastructure	OCP	
<b>May 18, 2010 4:14 PM</b>	City planning/zoning/infrastructure with resident participation needed and new OCP.	city planning / zoning / infrastructure	OCP	
<b>May 31, 2010 5:28 PM</b>	City Planning/zoning/infrastructure (OCP)	city planning / zoning / infrastructure	OCP	
<b>Jun 1, 2010 10:49 PM</b>	Long term development / community plan	city planning / zoning / infrastructure	OCP	

<b>Jun 2, 2010 6:21 PM</b>	The community plan must be well thought through to avoid piecemeal development and "tweeking".	city planning / zoning / infrastructure	OCP	
<b>Jun 2, 2010 6:54 PM</b>	City Planning - long term community plan	city planning / zoning / infrastructure	OCP	
<b>Jun 8, 2010 8:57 PM</b>	We need a community plan, not just development.	city planning / zoning / infrastructure	OCP	
<b>Jun 14, 2010 3:03 PM</b>	An OCP review. The planet is running out of cheap oil. This will greatly affect our future. We have to plan for this.	city planning / zoning / infrastructure	OCP	
<b>Jun 14, 2010 5:00 PM</b>	City planning and OCP.	city planning / zoning / infrastructure	OCP	
<b>Jun 16, 2010 3:46 PM</b>	Lack of long term OCP to preserve access to beaches.	city planning / zoning / infrastructure	OCP	
<b>Jun 17, 2010 10:53 PM</b>	OCP	city planning / zoning / infrastructure	OCP	
<b>Jun 9, 2010 10:51 PM</b>	OCP - "get a 20 year plan" - Or an overall plan - get a direction to head in. Too random developments up to now!	city planning / zoning / infrastructure	OCP	
<b>Jun 3, 2010 5:36 PM</b>	OCP	city planning / zoning / infrastructure	OCP	
<b>Jun 3, 2010 9:30 PM</b>	OCP	city planning / zoning / infrastructure	OCP	
<b>Jun 3, 2010 9:35 PM</b>	School buses for more kids. City planning, zoning, infrastructure.	city planning / zoning / infrastructure	school busing	

<b>May 26, 2010 8:08 PM</b>	sustainability	city planning / zoning / infrastructure	sustainability	
<b>Jun 10, 2010 5:17 PM</b>	Take an environmental/sustainable approach to City planning/zoning/infrastructure.	city planning / zoning / infrastructure	sustainability	
<b>May 25, 2010 8:45 PM</b>	Sustainability--no development without appropriate infrastructure (water, etc.)	city planning / zoning / infrastructure	sustainability	
<b>Jun 11, 2010 5:01 PM</b>	City planning, overdevelopment without proper infrastructure--water and sewer.	city planning / zoning / infrastructure	sustainability	
<b>May 25, 2010 11:17 PM</b>	broadening the tax base by improving development permit attractiveness and permitting process needs to be both clearer( non means no off the hop) or if the applicant is a good project get a move on it...too much uncertainty and way too much OCP zoning versus "real" zoning... very confusing to newcomers and businesses who may think they can develop some lands	city planning / zoning / infrastructure	taxation	
<b>Jun 16, 2010 5:25 PM</b>	water and sewer	city planning / zoning / infrastructure	water and sewer	
<b>Jun 10, 2010 10:27 PM</b>	Ensure infrastructure keeps pace with development and population growth so that water quality and availability is assured	city planning / zoning / infrastructure	water conservation / quality	sustainability
<b>May 19, 2010 4:22 PM</b>	City planning/infrastructure which would include means for protection of water quality	city planning / zoning / infrastructure	water conservation / quality	
<b>May 26, 2010 5:35 PM</b>	City planning/zoning/ infrastructure, of course, if we don't have water, everything else is moot.	city planning / zoning / infrastructure	water conservation / quality	
<b>May 27, 2010 5:09 PM</b>	Infrastructure--water/sewer/roads. Keeping up and exceeding demand. New water storage and treatment facilities for the future.	city planning / zoning / infrastructure	water conservation / quality	

<b>May 28, 2010 4:57 PM</b>	infrastructure and water	city planning / zoning / infrastructure	water conservation / quality	
<b>Jun 3, 2010 6:11 PM</b>	Cannot continue to expand the city. All our infrastructure is operating at capacity. With global warming, less snow pack, where will our water come from?	city planning / zoning / infrastructure	water conservation / quality	
<b>Jun 11, 2010 4:55 PM</b>	Keeping our infrastructure modern and water supply safe.	city planning / zoning / infrastructure	water conservation / quality	
<b>May 26, 2010 4:21 PM</b>	#1 should be City Planning/Zoning/Infrastructure, but very close behind would be the waterfront development such as larger condo, hotels to attract tourists.	city planning / zoning / infrastructure	waterfront development	
<b>Jun 2, 2010 6:12 PM</b>	cohesive, long term planning	city planning / zoning / infrastructure		
<b>May 9, 2010 5:05 PM</b>	City planning/zoning/infrastructure	city planning / zoning / infrastructure

<b>May 18, 2010 4:44 PM</b>	city planning	city planning / zoning / infrastructure		

<b>May 19, 2010 12:04 AM</b>	<p>The city needs to begin thinking in contemporary terms. If the people managing our city don't begin making changes now, our community's health and stability will steadily decline.</p> <p>City planners need to plan for sustainability.</p> <p>Local government needs to think in the long term about meeting the needs of future generations. This involves protecting our resources - oceans, land, natural areas, forests, aquifers, public wells, rivers, streams, farmland.</p>	city planning / zoning / infrastructure		
<b>May 19, 2010 4:07 PM</b>	city planning	city planning / zoning / infrastructure		
<b>May 20, 2010 3:20 PM</b>	city planning	city planning / zoning / infrastructure		
<b>May 20, 2010 9:05 PM</b>	overall planning of the community	city planning / zoning / infrastructure		
<b>May 21, 2010 1:29 AM</b>	This part of the survey is really loaded. I could only choose three but in most peoples opinion if the rezoning issue was honestly adressed for the community, not special interests, all the above would automatically be improved.	city planning / zoning / infrastructure		
<b>May 21, 2010 4:58 PM</b>	more efficient city planning/zoning/infrasructure	city planning / zoning / infrastructure

<b>May 8, 2010 1:37 AM</b>	Water front development in the public beach area should be stopped. Allow no more development. The Beach Club is a hudge monstrosity that majority of citizens did not want and still find it offensive.	Waterfront development		
<b>May 8, 2010 7:28 PM</b>	Waterfront Development---DON'T TOUCH IT!! It's what makes Parksville what it is. Please don't mess up any more.	Waterfront development		
<b>May 14, 2010 9:39 PM</b>	Lets get on with the waterfront development as it brings more employment, tax dollars and tourist business--outside dollars for the community.	Waterfront development		
<b>May 14, 2010 10:18 PM</b>	Motel site and RV Park on both sides of Beach Club should be denied building permits. These properties should be purchased by City and developed into free space for everyone to use. Okay to keep RV and camping site as is.	Waterfront development

<b>May 18, 2010 11:46 PM</b>	No more waterfront development, either residential or commercial. We have one huge eyesore in the Beach Club already taking away from the waterfront and we don't need anything more like that. Certainly no development either residential or commercial on the water side of 19A. If it continues, you will surely drive away the tourists that we depend on for our economy.	Waterfront development

<b>May 27, 2010 6:15 PM</b>	Stop building on the beach.	waterfront development		
<b>May 27, 2010 6:26 PM</b>	Waterfront development. The beach is very important. That's why most tourists come here. Don't let overdevelopment or the wrong type of development ruin it forever.	waterfront development		
<b>May 27, 2010 8:09 PM</b>	No more development on waterfront. Most important issue: Local economy/job creation--at present most residents go to Nanaimo and Courtenay to work. Young people would benefit jobwise if we had a theatre, larger stores or small local industry. Lower lease rates for business and less red tape would help.	waterfront development

May 18, 2010 8:54 PM	all important			
Jun 1, 2010 9:20 PM	All equally important			
Jun 4, 2010 7:56 PM	All the above should be addressed on an ongoing basis.			
Jun 7, 2010 8:15 PM	equally important			
Jun 17, 2010 9:25 PM	They are all important. Council is not a one issue government. They must address all issues noted above as requested.			
May 13, 2010 5:46 PM	Too many redundancies in your possible selections!			
May 17, 2010 10:32 PM	making people want to stay and build a life here			
May 18, 2010 9:07 PM	unable to say			

<b>May 26, 2010 4:06 PM</b>	All of the above are really one category and should go without saying. They should be ingrained in our subconscious - like the importance of manners.			
<b>May 28, 2010 5:24 PM</b>	Quit trying to control the public with your own opinions			
<b>May 28, 2010 9:27 PM</b>	Most of these things are linked. You can't focus on one thing only as a number of these issues will directly impact one or more. Silly question!			
<b>May 28, 2010 9:41 PM</b>	Many of the above are outside the control of council.			
<b>May 31, 2010 6:22 PM</b>	YOU HAVE ONLY ALLOWED 3 - but you should address carefully many more			
<b>May 31, 2010 6:29 PM</b>	Making sure Parksville does not lose its identity.			
<b>May 31, 2010 10:54 PM</b>	Making this town more than a fossil collection site - give it some character.			
<b>Jun 1, 2010 6:33 PM</b>	Unrealistic to choose one. Balance among a few important goals more appropriate.			
<b>Jun 7, 2010 4:44 PM</b>	A reduction of advertising signs would clean the city up.			
<b>Jun 17, 2010 8:35 PM</b>	Reasonably maintaining the lifestyle of living here.
