

## WATER SERVICE SYSTEM BYLAW NO. 1320

### SCHEDULE "B"

## WATER RESTRICTION STAGE 3

The Director may issue a notice prohibiting, restricting or limiting the use of water. Such notice shall be sufficiently given if delivered in writing, broadcast by the local radio or television station or advertised in a newspaper published or circulated within the City. Any person who refuses or fails to abide by such prohibition, restriction or limitation contained in the notice shall be deemed to have contravened this bylaw.

### WATER RESTRICTION STAGE 3 Voluntary Water Use Reductions As advised by the City of Parksville

#### PLEASE NOTE:

- **Stage 3 restrictions are exactly the same as Stage 2 with the addition of voluntary water use reductions.**
- **In Stage 3, the City is requesting residents voluntarily reduce water consumption.**
- **Stage 3 enables residents the flexibility to choose where they cut back.**
- **The focus should be on lawns which will provide an opportunity to defer a comprehensive ban.**

#### Sprinkler watering

Residents are encouraged to voluntarily reduce watering of lawns to a minimum in an effort to avoid potential future watering ban if City water demands cannot be managed.

#### Vegetable gardens and fruit trees

Vegetable gardens and fruit trees are exempt from all watering restrictions.

#### Watering of ornamental shrubs, flowers, trees

Ornamental shrubs, flowers and trees are restricted to a hand-held container or a hose equipped with a shut-off nozzle if watered outside of the times permitted.

#### Washing of vehicles, boats and buildings

Vehicles, boats and exterior building surfaces may be washed using City supplied potable water using a hand-held container or hose equipped with a shut-off nozzle.

#### Washing of sidewalks and driveways

Persons may use City supplied potable water to wash sidewalks, driveways or parking lots.

#### Swimming Pools, Wading Pools, Hot Tubs and Water Features

Swimming pools, wading pools, hot tubs, garden ponds and water features may be filled with water.
