

Rain Barrel Rebate Program

Rain barrels are an excellent addition to any yard! Collecting and storing rainwater for re-use has numerous benefits including:

- ◆ Rainwater is better for your plants and soil.
- ◆ You'll have your own water source in times of drought or water restrictions.
- ◆ Water conservation reduces your utility bill cost.

The program

For a limited time the City is offering a maximum of **one (1) rebate per residence** for installing a rain barrel. The rebate is 50% of the cost of the rain barrel, up to a maximum of \$50.

Who is eligible for the program?

This offer is only for owners of existing residential buildings with a valid occupancy permit located within the municipal boundaries of the City of Parksville and connected to the City of Parksville water systems. Rebates will be issued on a first come, first serve basis, accepting only valid applications of **rain barrels purchased on or after January 1, 2016**, until the funding is exhausted.

The City of Parksville will send a rebate cheque (lifetime maximum of one rebate per residence) to the applicant based on the application requirements. Rebates are 50% of the rain barrel cost, to a maximum of \$50. All claims are subject to verification.

What do I need to apply?

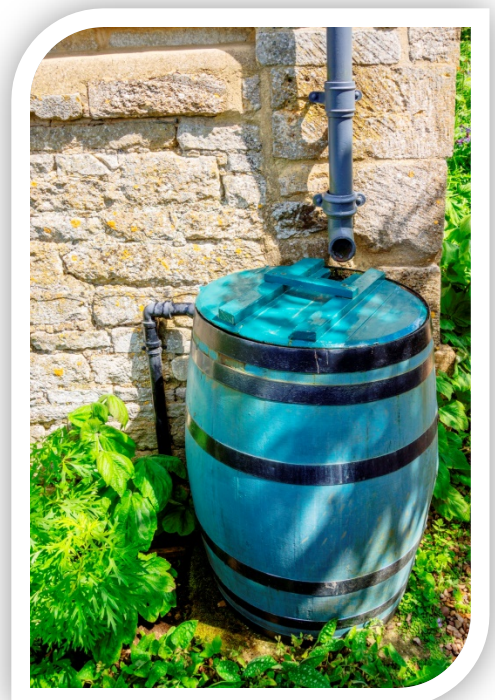

1. Completed application form (on reverse).
2. Proof of installation as follows:
 - Receipt dated on or after January 1, 2016, for purchase of a rain barrel.
 - Photograph of rain barrel installed in place.

We recommend you make a copy of your completed application form and receipts for your own records, as all information provided will not be returned.

Where do I send my completed application form?

Drop off or mail your completed application form to:

**City of Parksville
Box 1390, 100 Jensen Avenue East
Parksville BC V9P 2H3**

Applicant information:
