

## Filming in Parksville in September

One Mile Productions Inc will be filming in Parksville over the next two weeks and during this time there will be minor disruptions to accommodate their requests.

- The large gravel lot behind the curling rink in the Parksville Community Park will not be open for use by the public from September 18 to September 20 and again September 24 to September 26. During these days, the lot will not be opened by our staff and park visitors will be required to use alternative parking areas in the park.
- A portion of the Top Bridge parking lot off Chattell Road will be used for production company work vehicles from September 24 to September 26.
- Filming on private property on Lodgepole Drive will occur this week. Residents in the area have been advised and vehicles may experience intermittent traffic control with stops up to three minutes at a time.

We are pleased to accommodate One Mile Productions filming in Parksville and wish them much success.
