

Sport Facilities Upgrades (REVISED)

In May, upgrades will begin at three City of Parksville sports facilities. Total budget for these projects is \$875,300, detailed here.

Parksville Community Park

- Pickleball Courts – the remaining tennis court will be converted to four dedicated pickleball courts for a total of eight dedicated pickleball courts in the existing court. Completion is expected by the end of June. Cost to convert the courts is \$40,000 with \$20,000 funded from the Growing Communities Fund – Province of BC and the remainder as a donation from the Pickleball Association.
- Lacrosse Box – The removal and replacement of the existing lacrosse box structure is part of a community civil works tender award approved by Council. Upgrades to the multi-sport structure will include new boards, fencing and associated recreation infrastructure. This multi-sport facility accommodates lacrosse, pickleball and basketball. Completion date is undetermined.

In the 2026-2030 financial plan, Parksville Council approved the 2026 capital construction budget of \$715,000. Total cost of the lacrosse box upgrades will be \$735,300 with \$700,000 in funding from the Growing Communities Fund - Province of BC. The contract award was approved by Council at the April 8 meeting and the report may be viewed at this [link](#).

Springwood Park

- Resurfacing of the six dedicated tennis courts will be scheduled as early as the weather permits and contractor availability. Completion is expected by the end of June. A portion of this project will receive funding from the Growing Communities Fund - Province of BC.
