

Ballenas to Host Next Parksville Council Meeting

The next regular meeting of Parksville Council will be held at Ecole Ballenas Senior Secondary on Wednesday, February 20 at 1.30 pm. Ballenas Senior Secondary is located at 135 North Pym Street and the meeting will be held in the school theatre.

Council wishes to hold meetings at locations in the community to provide residents with additional opportunities to attend and with this meeting at Ballenas, will engage students in the local government process. This meeting will be school focussed with delegations from Ballenas students and an expanded question period. The general public is welcome to attend.

The June 17 regular meeting of Council is scheduled to be held at Knox United Church. Parksville Council meetings are held the first and third Mondays of the month. When a statutory holiday falls on the Monday, the meeting is then held on the Wednesday.
