

## **Filming in Community Park – Wednesday, May 15**

Chesapeake Shores Productions will be filming in Parksville in the Community Park and along the waterfront walkway on Wednesday, May 15 from early morning until dusk. Throughout the day they will be in various locations - on the beach and along the waterfront walkway from the gazebo at the foot of McMillan Street to the labyrinth at Arbutus Point.

Parking will be affected on May 15 to accommodate Chesapeake Shores equipment and trucks:

- 6 am to noon Public parking at the foot of McMillan Street will not be available
- 6 am to 8 pm Public parking lot at the end of Beach Drive near the labyrinth will be unavailable

From 6 pm, May 14 until 8 pm, May 15, production equipment and crew parking will be located in the gravel parking lot behind the curling rink as well as the lot to the east of the curling rink.

On May 15, Chesapeake Shores will have traffic controllers on site to assist should there be intermittent traffic delays along Beachside Drive. Parking for the public is available in the gravel lot by the sports field as well as the paved lot to the west of the curling rink. Please note, accessible parking is still available and the waterfront walkway will be open as usual for foot traffic.

We are aware this will be an inconvenience for some; however, we are pleased to be able to accommodate this production in Parksville. We appreciate the public's patience as we accommodate their requests.
