

Summertime Coffee with Mayor Mayne

Parksville residents are invited to join Mayor Mayne on Thursday, July 9 and Thursday, July 23 for conversation, questions and answers. Summertime sessions of Coffee with the Mayor will be held in the outside courtyard at the Parksville Museum (rain or shine) from 2-4 pm.

Parksville residents are welcome to join Mayor Ed Mayne for a cup of coffee and a chat about life in Parksville. These informal meetings are an opportunity for residents to get to know the Mayor and speak with him about subjects that matter to residents. No agenda or speeches, just a chat with Mayor Mayne and an opportunity to discuss issues, share ideas, ask questions and connect in a friendly, casual environment as well as a chance to explore the Parksville Museum.

Coffee with the Mayor was discontinued in March when in-person meetings were no longer possible because of the COVID-19 pandemic.

QUOTE – Mayor Ed Mayne

“The casual atmosphere at the museum along with a coffee are a perfect combination to exchange ideas while supporting the City’s ongoing efforts to engage and connect directly with our residents and businesses. I look forward to once again hearing from residents which provides me with a level of perspective to make better policy decisions for the City,” said Mayor Mayne.
