

Virtual Drop-in Chat with Mayor Mayne

Mayor Ed Mayne would like you to join him for a virtual chat on Thursday; March 4 or Thursday, March 18, an opportunity to ask questions or chat about something of interest or concern to you. Due to public health orders related to the pandemic and the difficulty with meeting in-person, Coffee with the Mayor has not been held since summer 2020 when it was held outdoors at the Parksville Museum.

Just like with in-person Coffee with the Mayor sessions, we will schedule 15-minute, one-on-one chats with Mayor Mayne between 2 pm and 4 pm on March 4 and March 18. If you would like to chat, please email communications@parksville.ca to book your time on one of the days.

These virtual drop-in chats with Mayor Mayne will provide a chance for casual conversation from your home, office or wherever you might be. You can connect face-to-face by joining with video or with audio or phone only. We will confirm your time and instructions will be emailed to you prior to your requested date/time in March. We look forward to connecting virtually.
