Parksville Firefighters Challenge Residents to Fun Water Fight

Celebrate the last days of summer with the Parksville Volunteer Fire Department at a popup water park for our residents. Kids, families and the young at heart are invited to get totally soaked with us and a chance to cool down in style.

Parksville Community Park – Ultimate Water Fight Challenge

Friday, August 20, 6 to 8 pm - Near the Lions Splash Park

At this event, Parksville Fire challenges kids and parents to a fun water fight. You are encouraged to come prepared to take on firefighters with your squirt guns and water toys. You won't want to miss this one, a chance to soak your local firefighters. The ultimate challenge is on!

Please note - one lane of traffic will be closed near crosswalk on Salish Sea Drive

PLEASE NOTE

The popup water park scheduled for August 27 at Shelly Creek Park has been cancelled. This cancellation is due to the move by the Province of BC to Drought Level 5 and the desire to conserve water.

Enjoy an opportunity to cool off by running through spray from a ladder truck which creates something like a big rain shower as well as other fire hose appliances. Popup or instant water parks are a chance for residents and visitors to check out the fire engines and equipment, learn about fire safety and talk to members about what it means to be a volunteer firefighter. The Parksville Fire Department members look forward to the opportunity to engage with the community and share in the fun.

For more information, please contact Parksville Fire at 250 248-3242.
