

**Addendum No. 1 Mandatory Site Meeting – July 30, 2024, 10 am
Questions and Clarifications**

To all Proponents:

This notice shall serve as confirmation that the revisions and clarifications included herein as Addendum No. 1 shall form part of the Request for Proposal for 5330-20-PATH, Parksville Pathway Project Phase 1.

Questions:**Does the City have any existing topographical survey info it can provide?**

Yes, survey work, per the attached pdfs, was completed in 2013. The associated drawing file will be available to the successful candidate.

Is vehicle access desired along the path?

Some vehicle access may be beneficial, but vehicle access is not required along the full length of the trail.

Has permitting started?

No.

What First Nation consultation is required?

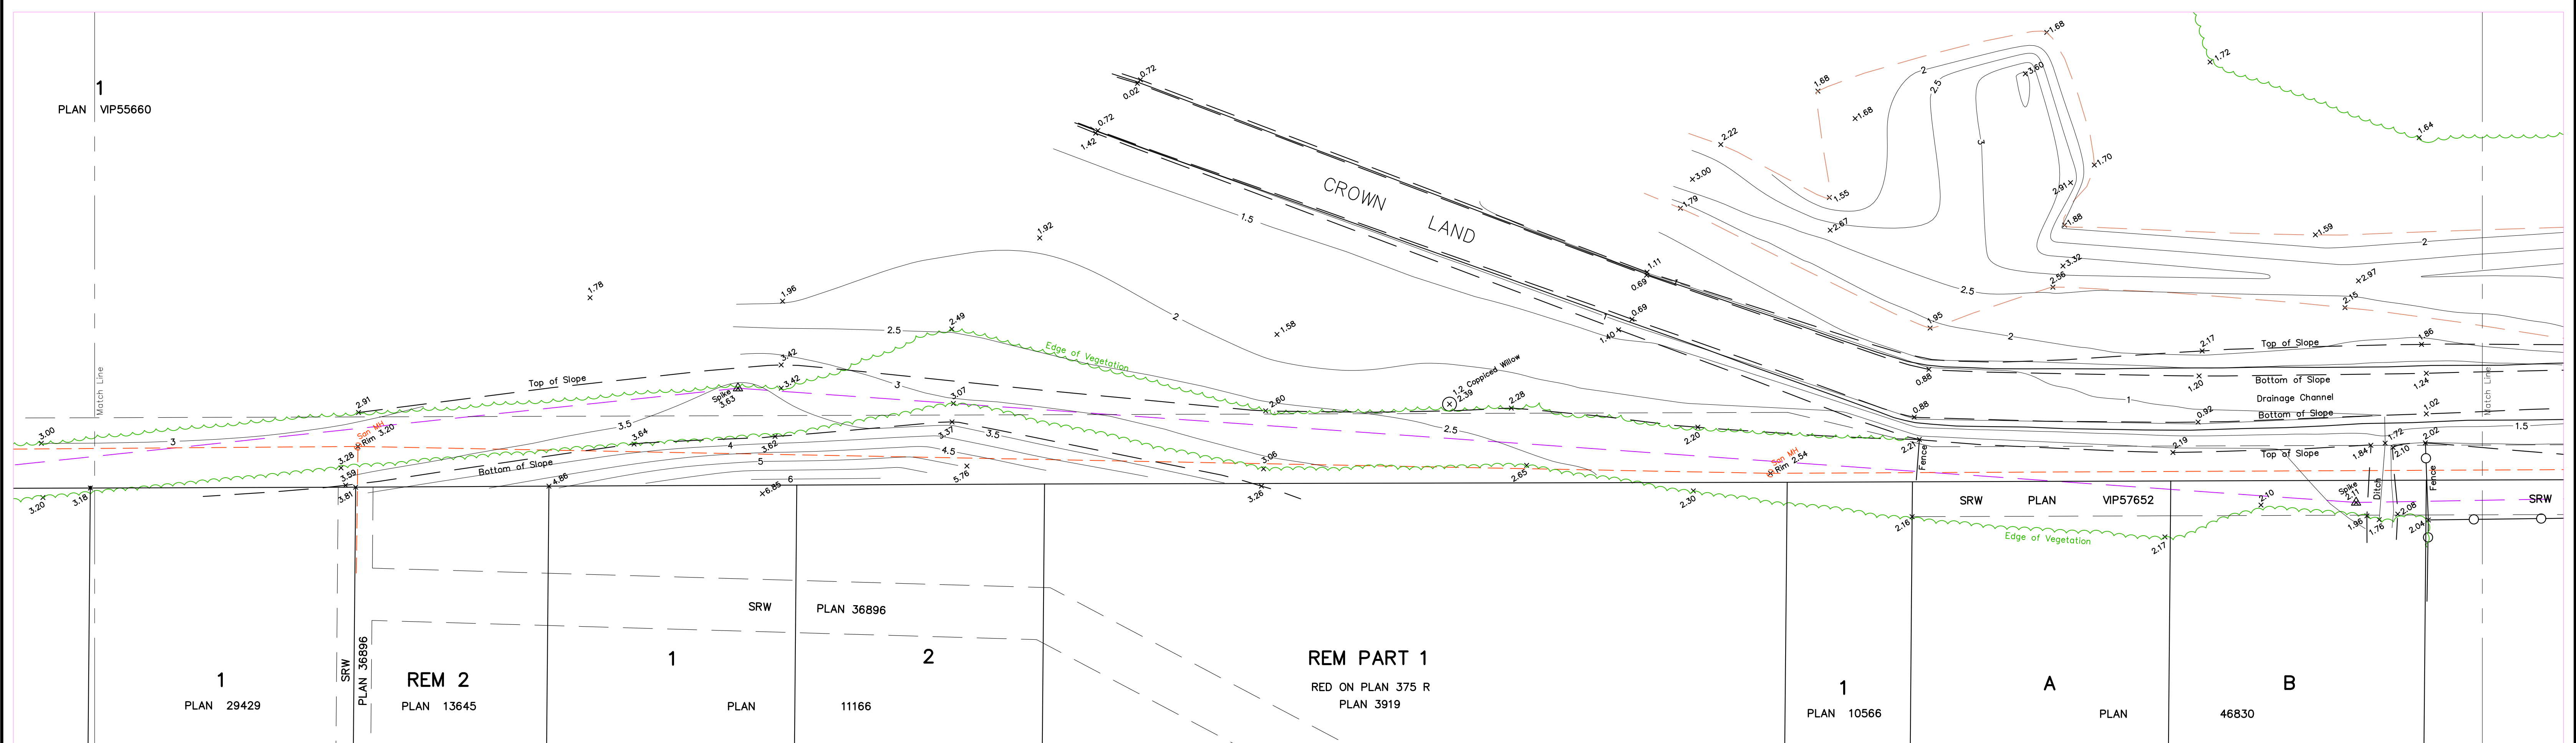

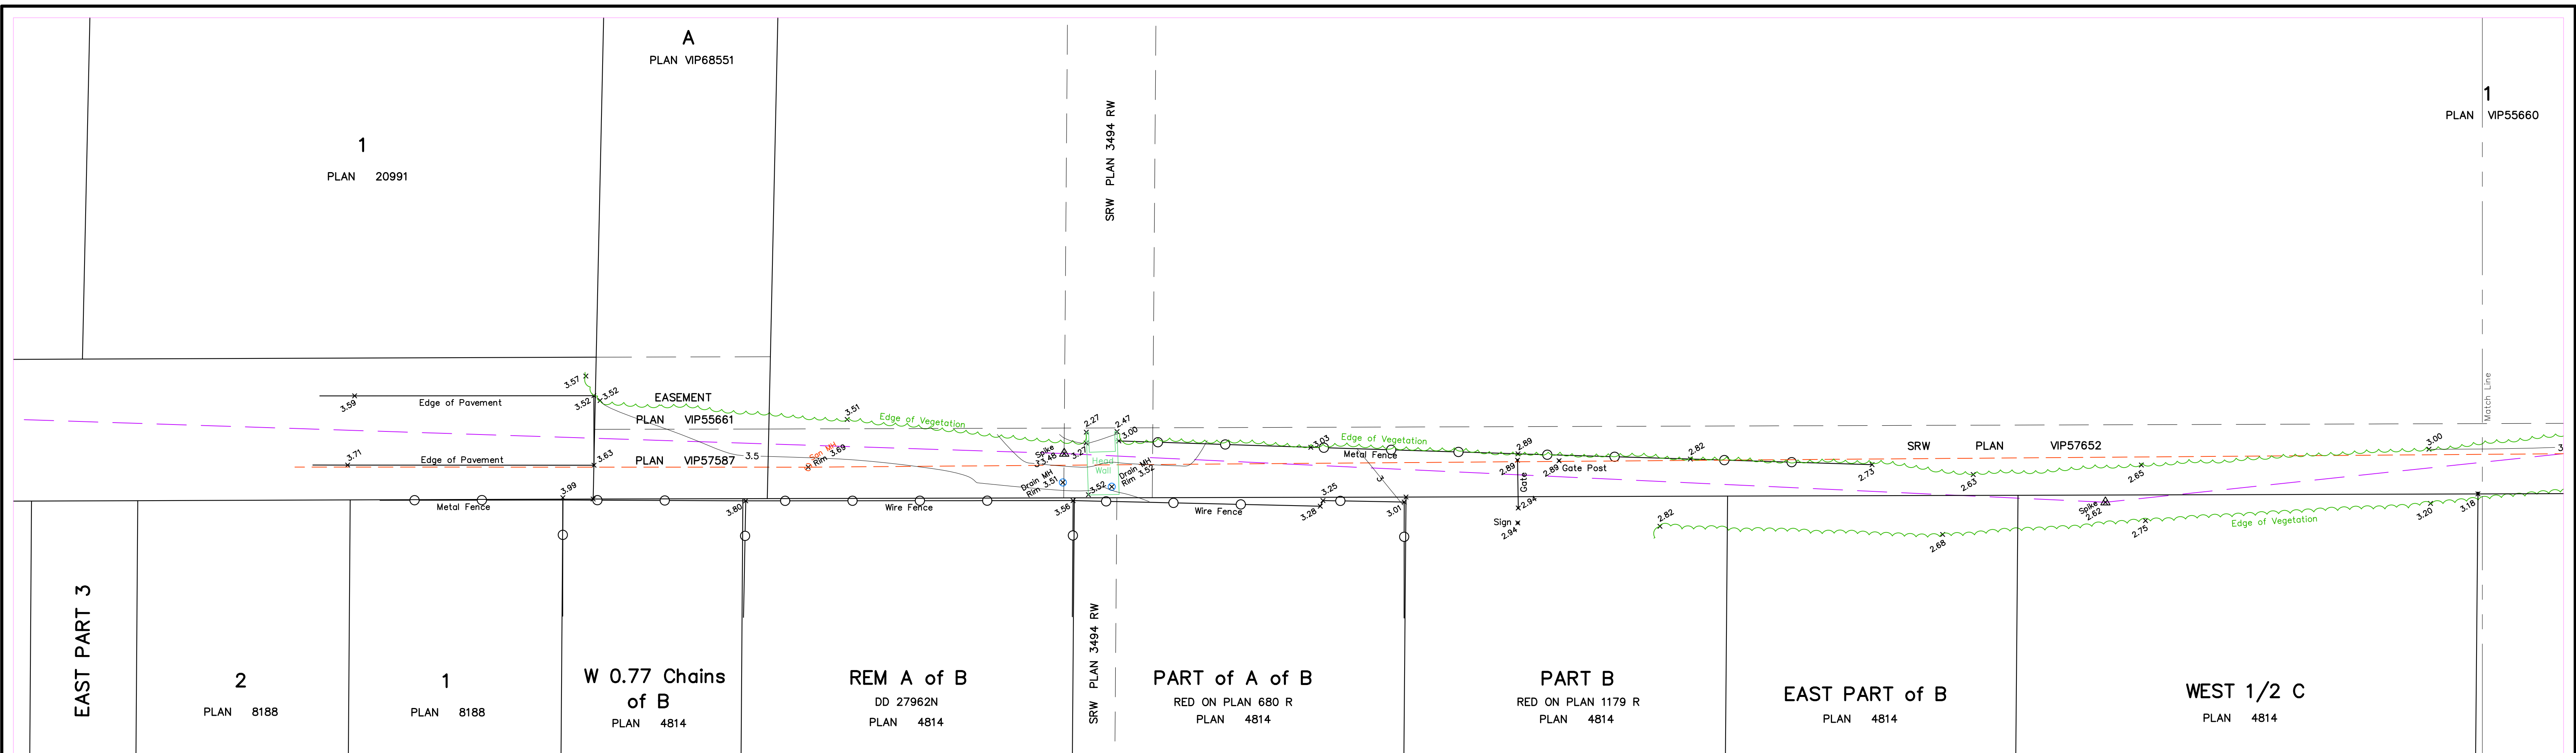

Required consultation will be determined in coordination with The Nature Trust of BC and Snaw-naw-as First Nation.

Is more parking desired at Mills Street?

No.

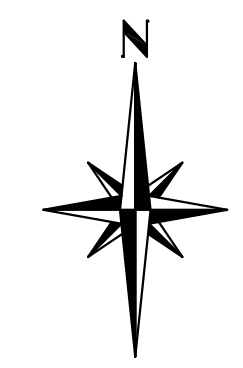

Additional Notes:**Clearing of Vegetation**

Above-ground clearing of vegetation within the project area is permissible prior to undertaking topographical survey work.
