

May 23, 2013

MEMO TO: FRED C. MANSON, CHIEF ADMINISTRATIVE OFFICER

FROM: G. LUCKY BUTTERWORTH, DIRECTOR OF FINANCE

SUBJECT: 2012 STATEMENT OF FINANCIAL INFORMATION (SOFI)

ISSUE

2012 Financial Statements and Schedules required in accordance with the Financial Information Act and associated regulations.

REFERENCE

Financial Information Regulations (BC Reg. 371/93) under the Financial Information Act.

EXECUTIVE SUMMARY

The municipality is required to prepare by June 30, a Statement of Financial Information (SOFI) for the prior year under the Financial Information Act. The 2012 SOFI is required to include the following statements and schedules:

- Audited Financial Statements
- Management report
- Schedule of Debt
- Schedule of Guarantee and Indemnity agreements
- Schedules showing remuneration and expenses of Council and employees with remuneration greater than \$75,000
- Statement of Severance Agreements
- Schedule of payments made to suppliers of goods and services that exceeds \$25,000

These statements and schedules have been prepared in accordance with the Financial Information Act and are attached to this report. The SOFI package must also be approved by Council.

BACKGROUND

The Financial Information Act and associated regulations requires that the SOFI prepared by a municipality must be approved by Council and by the officer assigned responsibility for financial administration.

The Statement of Financial Information must include:

1. Audited financial statements
2. Management report
3. A schedule of debt.
4. A schedule of guarantee and indemnity agreements.
5. A schedule of remuneration and expenses paid to or on behalf of each employee and council member.
6. A schedule showing the payments for each supplier of goods or services.
7. Approval by Director of Finance and Council

The schedule of remuneration and expenses must:

- List by name and position the total amount of remuneration and the total amount of expenses paid to or on behalf of each elected official.
- List in alphabetical order for each employee, the name, the total amount of remuneration for each employee that exceeds \$75,000, and the total amount of expenses paid to or on behalf of that employee.
- The consolidated total of remuneration that was paid to employees earning \$75,000 or less.

The schedule of payments for each supplier of goods or services must:

- List in alphabetical order for each supplier, the name and the total amount paid by the municipality to the supplier where the amount exceeds \$25,000.
- The consolidated total paid to suppliers where the aggregate amount paid to each individual supplier was \$25,000 or less.

OPTIONS

Option 1: Approve the SOFI. Section 9 of BC Reg. 371/93 requires the Statement of Financial Information be approved by Council.

Option 2: Don't approve the SOFI. We will not be in compliance with the BC Financial Information regulations.

SUSTAINABILITY/ENVIRONMENTAL ANALYSIS

No issues.

FINANCIAL IMPLICATIONS

There are no significant costs to file the SOFI except for staff time to complete.

RECOMMENDATION

THAT the Report from the Director of Finance dated May 23, 2013 entitled "2012 Statement of Financial Information (SOFI)" be received;

AND THAT Council approve the Statement of Financial Information for the Year Ended December 31, 2012 attached to the Director of Finance's May 23, 2013 report.

MANAGEMENT REPORT
2012 FINANCIAL STATEMENTS**

The preparation of these Financial Statements is the responsibility of management. The consolidated financial statements have been prepared in accordance with generally accepted accounting principles or stated accounting principles, and the integrity and objectivity of these statements are management's responsibility.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

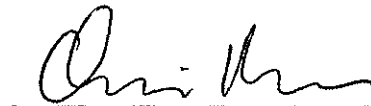

Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and exercises this responsibility through the Audit Committee of Council. The Audit Committee meets with the external auditors two times per year.

The external auditors, McGorman MacLean, conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements. Their examination includes a review and evaluation of the corporation's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly. The external auditors have full and free access to the Audit Committee of Council.

INDEPENDENT AUDITORS' REPORT

To the Mayor and Council of the
City of Parksville

Report on Financial Statements

We have audited the accompanying consolidated statement of financial position of the City of Parksville as at December 31, 2012 and the consolidated statements of operations, cash flows and changes in net financial assets for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

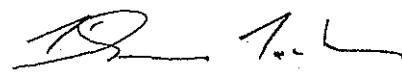

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the City as at December 31, 2012 and the results of its operations, cash flows and changes in net financial assets for the year then ended in accordance with Canadian Public Sector Accounting Standards.

CITY OF PARKSVILLE
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2012

The City of Parksville operates under the authority of the Local Government Act of British Columbia. The City's principal activities include the provision of services to residents of Parksville. These include protective services, engineering and public works, parks, community planning, general government, water, sewer and solid waste.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Basis of presentation

Consolidated financial statements have been prepared in accordance with the recommendations of the Public Sector Accounting Board (PSAB) of the Canadian Institute of Chartered Accountants. The consolidated statement of financial position includes all assets and liabilities of the City. Interfund transactions and balances have been eliminated.

b) Cash and investments

Cash and cash equivalents are comprised of cash on hand, demand deposits and short-term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Investments are recorded at cost, adjusted for amortization of premiums or discounts. Provisions for losses are recorded when they are considered to be other than temporary. At various times during the term of each individual investment, market value may be less than cost. Such declines in value are considered temporary for investments with known maturity dates as they generally reverse as the investments mature and therefore an adjustment to market value of these market declines is not recorded.

c) Non-financial assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They may have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

Inventory

The City maintains a minimal level of parts and supplies on hand. Larger inventory items are included on the statement of financial position and are recorded at cost at year end. Spare parts and supplies are expensed when purchased.

CITY OF PARKSVILLE
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2012

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

c) Non-financial assets (continued)

Tangible capital assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisitions, construction, development, or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized on a straight-line basis over their estimated useful lives as follows:

Land improvements	10 - 50 years
Buildings	50 years
Vehicles, machinery and equipment	5 - 20 years
Information technology	5 - 25 years
Roads, sidewalks and lighting	20 - 75 years
Storm sewer systems	15 - 70 years
Water systems and AWS dam	15 - 80 years
Sanitary sewer systems	15 - 60 years

A full year of amortization is charged in the year of acquisition and none in the year of disposal. Assets under construction are initially recorded as work in progress and are not amortized until the asset is available for productive use.

d) Basis of accounting

Revenues are recorded in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Expenses are recorded in the period the goods and services are acquired and a liability is incurred or transfers are due.

CITY OF PARKSVILLE
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2012

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

e) Use of estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the amounts of assets and liabilities, disclosure of contingent assets and liabilities and the reported amounts of revenue and expenses. Actual results may differ from these estimates.

In 2009, the City's implementation of the Public Sector Accounting Handbook PS3150 required management to make estimates of historical cost and useful remaining lives of tangible capital assets. Actual results could differ from these estimates.

2. INVESTMENTS

		<u>2012</u>	<u>2011</u>
Short-term notes and deposits	Cost	\$ 10,890,912	\$ 14,065,199
Long-term notes and deposits	Cost	5,200,000	-
		<u>\$ 16,090,912</u>	<u>\$ 14,065,199</u>
Short-term notes and deposits	Market value	\$ 10,890,912	\$ 14,148,560
Long-term notes and deposits	Market value	5,200,000	-
		<u>\$ 16,090,912</u>	<u>\$ 14,148,560</u>

Short-term notes and deposits have interest rates varying from 1.35% to 1.85% (2011 - 1.30% to 1.7%) and mature in less than one year. Long-term notes and deposits have interest rates varying from 2.15% to 2.40%.

	<u>\$ 2,993,993</u>	<u>\$ 3,101,959</u>

6. EMPLOYEE BENEFIT ACCRUAL

	<u>2012</u>	<u>2011</u>
Retirement benefits payable	\$ 372,936	\$ 329,952
Sick time accrual	102,723	86,383
	<u>\$ 475,659</u>	<u>\$ 416,335</u>

Retirement benefits - employees who retire may qualify for a payout of their accumulated unused sick leave bank. Union employees may qualify for a payout of up to 60 days and non-union staff qualify for a payout of up to 261 days if certain restrictions are met. The City calculates the value of this liability based on a statistical analysis of the age and length of service of its workforce. The liability reflects the likelihood that employees will reach the age of 60, retire and become eligible for this benefit.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2012**

7. DEFERRED REVENUE - FEDERAL GAS TAX

Federal gas tax funding is provided by the Government of Canada and the use of the funding is established by a funding agreement between the local government and the Union of BC Municipalities. Funding must be used for designated capital projects as specified in the funding agreement.

The City reports the balance of unused funding as deferred revenue until it is used to fund specified capital projects. Interest is required to be accrued on the fund balance.

	<u>2012</u>	<u>2011</u>
Balance at beginning of year	\$ 1,304,972	\$ 939,846

The restricted surplus represents reserves to be used to fund specified future expenditures, as authorized by Council. It includes both statutory reserves set up by bylaw under the authority of the Community Charter and reserve accounts, for which Council is not restricted by external parties in providing for the use of funds.

The unrestricted surplus represents the accumulated operating surpluses of the City.

CITY OF PARKSVILLE
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2012

12. CONTINGENT LIABILITIES

- a) The City is responsible, as a member of the Regional District of Nanaimo and the Nanaimo Regional Hospital District, for its proportion of any operating deficits or capital debt related to functions in which it participates.
- b) The City has issued demand notes to the Regional District of Nanaimo totalling \$197,998. These notes are callable only if required by the Regional District.
- c) The municipality and its employees contribute to the Municipal Pension Plan (the Plan), a jointly trustee pension plan. The Board of trustees, representing plan members and employers, is responsible for overseeing the management of the Plan, including investment of the assets and administration of benefits. The pension plan is a multi-employer contributory pension plan. Basic pension benefits provided are based on a formula. The Plan has approximately 176,000 active members and approximately 67,000 retired members. Active members include approximately 35,000 contributors from local governments.

The most recent valuation as at December 31, 2009 indicated a \$1,024 million funding deficit for basic pension benefits. The next valuation will be as at December 31, 2012, with results available in 2013. Defined contribution plan accounting is applied to the Plan as the Plan exposes the participating entities to actuarial risks associated with the current and former employees of other entities, with the result that there is no consistent and reliable basis for allocating the obligation, Plan assets and cost to individual entities participating in the Plan.

The City of Parksville paid \$388,081 for employer contributions to the Plan in fiscal 2012.

- d) Other contingent liabilities consisting of routine claims will be accounted for as an expense in the period in which the costs are incurred. It is not possible to determine the City's liability, if any, with respect to these other matters.

13. MFA DEBT RESERVE FUND

The Municipal Finance Authority requires the City to establish a reserve fund equal to one half the annual instalment of principal and interest of debentures issued. The cash portion of the fund is equal to one percent of the total principal with the remainder to be covered by a non-interest bearing promissory note. The balance of the MFA debt reserve fund is as follows:

	2012	2011
Cash	\$ 103,425	\$ 100,392
Demand note	197,998	197,998
	\$ 301,423	\$ 298,390

14. SEGMENTED INFORMATION

The City of Parksville provides a diverse range of services to its citizens including water and sewer, fire, police, bylaw, building inspections and park maintenance among others. The City maintains three separate funds (general revenue, water revenue and sewer revenue) to account for the services. Each fund is expected to cover its expenditures through its own revenue collections.

City services are provided by departments and their activities are reported in one of these funds. Certain departments have been amalgamated to reduce the number of segments and provide information along the following related functional lines:

Protective Services

Includes the provision of police, fire, bylaw and emergency services. The City shares costs in a regional police force that serves Parksville, Qualicum Beach, French Creek, Errington and other local areas within the Regional District of Nanaimo. The City of Parksville has an allocation of 16 police officers. The Parksville volunteer fire department includes three full time officers and 36 volunteer members and provides first responder services in addition to fire protection to Parksville and part of the Regional District of Nanaimo (half of French Creek, San Paniel, and Martindale Road). Bylaw enforcement is provided part time by 2 bylaw officers, one of which also acts as the emergency program coordinator.

Engineering and Public Works

Responsible for the delivery of municipal public works services including the planning, development and maintenance of roads, sidewalks, street lighting, traffic signals, snow removal and facilities.

The engineering department also contracts itself to the water and sewer revenue funds for the planning and development of the City's water and sewer infrastructure.

Parks and Cultural Services

Maintains the City's numerous parks and roadside greenery. It also maintains the recreational sports fields, hard courts, dog park and children's playgrounds.

Cultural services includes the costs paid to the Vancouver Island Regional Library and Parksville community centres.

Community Planning

Manages urban development for environmental concerns, local neighbourhoods and the downtown through City planning, community development, parks and sustainability planning. It ensures acceptable quality of building construction and property maintenance through enforcement of construction and building codes and standards. It also assists economic development through review and approval of land development plans, application of zoning by-laws and processing of building permit applications.

General Government

Provides services for legislative and general administration as well as financial management, revenue collection, human resources and information technology.

Other Services

Includes activities which do not easily fit into any of the above segment categories including unallocated common service costs and insurance.

14. SEGMENTED INFORMATION (continued)

Water, Sewer, and Solid Waste

Water and Sewer are each accounted for in their own funds and are consolidated for segmentation purposes. The water fund is responsible for providing water to the citizens of Parksville including the maintenance of the water distribution and supply system. The sewer fund is responsible for the maintenance of the sanitary sewer collection system. The planning and development of the systems is provided by the Engineering department. Solid waste collection and disposal is contracted out by the City to the Regional District of Nanaimo.

See Schedule 4 for a detailed summary of the revenues and expenses of each segment for 2011 and 2012.

15. EXPENSES BY OBJECT

The following is a summary of expenses by object:

<u>Expense Object</u>	<u>2012</u>	<u>2011</u>
