

Tree Rebate Program

The program

For a limited time the City is offering a maximum of **one (1) rebate for the owner of a residence or business** who plants a tree on their property. The rebate amount is for a maximum of \$50 and is subject to the conditions outlined below.

Trees can reduce stress levels and fatigue, calm traffic; provide privacy, emphasize views or screen out unsightly views; enhance architecture; increase property values; moderate the environment; improve air quality; and reduce storm water runoff. As trees offer numerous community benefits, this rebate is offered to encourage the growth of an "urban forest" in Parksville.

Who is eligible for the program?

- This offer is only for businesses or owners of existing properties located within City of Parksville municipal boundaries.
- Trees must be planted in the ground on private property to be eligible; trees may not be planted on City boulevards, right-of-ways or any other location. Trees in pots or containers are not eligible.
- Any tree or fruit tree that will attain a mature height over 4.9 metres (16 feet) is eligible for a rebate. Shrubs, bushes and other plantings are not eligible.
- The rebate is for the purchase of one tree up to a maximum of \$50. Planting costs are not eligible.
- Property owners may apply for one rebate per property per calendar year.
- Rebates will be issued on a first-come, first-served basis, accepting only valid applications for **trees purchased on or after July 1, 2019**, until the funding is exhausted.

The City of Parksville will issue a rebate cheque to the applicant based on the application requirements. Rebates are up to a maximum of \$50. All claims are subject to verification.

What do I need to apply?

1. Completed application form (on reverse).
2. Proof of purchase and planting as follows:
 - Receipt dated on or after July 1, 2019, for purchase of a tree.
 - Photograph of tree planted on private property.

We recommend making a copy of your completed application form and receipts for your own records, as all information submitted will not be returned.
